We currently act as general counsel to the Town of Skykomish. We don't have special expertise in environmental law. Please note, however, that most of the environmental issues have been handled by the State of Washington. Also note that the State of Washington has been most helpful in answering specific environmental legal issues. Should the need arise the Town can consult specialized legal counsel in this area or other areas.

David Carson

Council Members:

Please provide at your earliest convenience information which demonstrates the credentials and expertise of the Town's attorneys with regard to BNSF Railway environmental remediation issues currently before the Town.

Should you encounter any difficulties, issues or problems, contact me at once at

criley@investorspropertyservices.com .
