Mayor Tony Grider  
Town of Skykomish  
Via Email: townofsky@frontier.com

Dear Mayor Grider,

Congratulations regarding your appointment as Mayor of Skykomish.

While this appointment presents much opportunity, it also includes the responsibility to represent every Skykomish citizen, family, business, property owner, voter and taxpayer.

As Managing Agent for the Town's largest and most historic privately held structure, the Skykomish Hotel (Hotel), I'm sympathetic to the many challenges a new mayor faces, including time constraints that could make it difficult to deliver fair and balanced service to all constituents, but at this point I'm a bit puzzled at not having heard from you regarding serious issues of mutual interest.

I pray you don't miss this historic opportunity to work together for Skykomish.

Best wishes,

---

Cate Riley, President
